

Evgenii Churin

Full Stack Web Developer

SUMMARY

Full Stack Web Developer with an M.Sc. in Information Systems and over a decade of broader IT background. The past three years focused on shipping production sites with React, Next.js, and Astro — including payment and funnel integrations. Currently delivering a 13-locale marketing platform and maintaining [ai-agents-arsenal](#) on npm.

Cisco Networking Academy · 2014–15

WORK EXPERIENCE

Freelance Full Stack Developer

Self-employed · Remote (Germany) · 05 / 2025 – Present

- **Level Up Championship 2026** — flagship client. Designed and built [level-up-championship.com](#), a 13-locale marketing platform for a pan-European hairdressing championship. Stack: Next.js, React, TypeScript, Tailwind, Radix UI.
- Architected modular i18n with a context-window-optimized translation workflow; cut AI token cost by a factor of ten.
- Lighthouse: PageSpeed Mobile 72 → 94, SEO 100, Best Practices 100.
- Built registration forms with integrated payment processing for social-media lead conversion.
- **Open source** — published [@evgenest/ai-agents-arsenal](#) on npm: a TypeScript/Bun CLI that installs skills and MCP servers into 8 AI coding agents (Claude Code, Cursor, Codex, ...) in one command.
- **Personal project** — [HotelPulse](#), an async booking platform demonstrating queue-based architecture under partial failure. Stack: .NET 10, Nuxt 4, RabbitMQ, MongoDB, Docker, Kubernetes.

Software Development Intern

ccc software gmbh · Leipzig, Germany · 09 / 2024

- Contributed to feature development for industrial-automation products using Angular and .NET / C#.

Software Developer

Otonica · Yekaterinburg, Russia · 09 / 2014 – 06 / 2015

- Independently designed and built a data-synchronization service for enterprise order processing in .NET / C#.
- Built alerting and monitoring systems for business-critical processes using PowerShell, Bash, and Linux tooling.

Technical Support Specialist

Mostinfo · Yekaterinburg, Russia · 02 / 2011 – 05 / 2011

- Set up information systems for electronic reporting to government authorities; issued digital signatures.

Additional History

Russia → Ukraine → Germany · 2015 – 2022

Period of professional reorientation across three countries. Customer service and sales in Russia (retail at Euroset, account management at Tinkoff Bank, call centre eCall). Warehouse logistics and shift leadership of a 10-person team at Husky (Kyiv, UA). Self-employment in short-term apartment rentals in Lviv (UA). Relocated to Germany in 2022, completed German A1 → B2 at damago GmbH, and returned to IT.
